

Academic Expectations: All students are expected to work to their highest ability and complete all work assignments on time. AND have fun while learning!

Text: Glencoe Earth and Space Science. Online access will be provided.
Other sources will be utilized depending on the content area.

Website:

Smapsience.com. A homework page is updated daily with all assignments.

Curriculum:

Scientific Inquiry
Earth's Atmosphere
Exploring Earth
Layers of the Earth
Weathering-Erosion-Deposition
Tectonics
Geologic History
Astronomy

Grading :

Tests and quizzes: 30%
Class work/Homework: 30%
Labs and Projects: 40%

Homework Policy:

If a student stays on task in the classroom, homework will be minimal at twice per week. All assignments will be entered in the student's agenda book which will be signed nightly. When a parent signs the agenda, it is confirmation that the assignment was COMPLETED.

Contact Information:

[Email](#) is the best form of communication. If we need to speak in person, leave a phone number and best time to be reached with the front office.
